

# Phytaspase cleavage assay using synthetic oligopeptide substrates

 Annick Stintzi  Andreas Schaller

Updated date: Mar 4, 2022

 An abbreviated version of this protocol was published in Science in Mar 2020

Peptide signaling for drought-induced tomato flower drop

DOI: [10.1126/science.aaz5641](https://doi.org/10.1126/science.aaz5641)
